# ABOUT US

Orritva Exports® is a leading manufacturer exporter of Jewelry Making Tools and Equipment and Watch Making Tools. We enable you to receive high-quality products at the best price and on time at your place.

We have a dedicated Quality Management staff that contiguously works to achieve the highest efficiency in providing Quality and Services to our customers. Our streamlined production facilities and processes give out high-quality products to satisfy the core of our customer's requirements. Our core values are High Quality, Best Price, Fastest Delivery, and Environmental Friendly Products.

Our organization has implemented Kaizen System of continuous improvement enabling us to excel all the time.

Orritva Exports® is always dedicated to its customers and would not leave any chance to delight them. Orritva Exports® is a completely environmental friendly organization.

We have a record of highly satisfied customers from all over the world who have been delighted to work with us and have become part of the Orritva Exports® Family.

We also manufacture and supply more jewelry tools and watch tools not mentioned in this catalog.
